1985 INGOT

Throughout time, the rainbow has had many different interpretations. In mythology a rainbow was at times the bow with which deities fought storm demons. At other times it was a bridge between heaven and earth. In Christianity the seven rays of a rainbow are likened to the Holy Spirit's seven gifts. Four of the rays represent the nature of man's perfection - body, mind, soul and spirit, and three rays, red, yellow and blue represent the nature of Trinity. Red signifies highest heaven, the full perception of the Lord's love; blue represents middle heaven, delight of receiving wisdom from the Lord; green symbolizes the lowest heaven, love of good but obscure perception of truth. Among the Hebrews, the rainbow symbolized blessings, God's covenant, pardon, rebirth, reconciliation and truth.

A rainbow represents many things for many people.

For some it represents the end of trouble, the dawn of a new and better time. For others it is hope. It is the promise of peace and contentment. And still for others, the rainbow represents compromise with its synthesis of colors. And perhaps unfortunately for a few, the rainbow represents the unattainable. It becomes a deceptive illusion.

Hence, the rainbow with all its different meanings and representations has been and is a colorful arch of promise. The various divisions of the book naturally lend themselves to the attributes of the rainbow. With each section in artwork and copy we have attempted to tie the triumphs and failures and the special memories of the year 1985 to the rainbow's promise of wisdom, hope, beauty and joy, It is in the rainbow's spirit that we dedicated this edition of the Ingot to the senior class of 1985.

Ingots Beat M.C. 54-45; Students Show Spirit

On February 1, Judy Cruz was voted Miss Ingot Spirit by the student body and David Verduzco was awarded Mr. Basketball during halftime festivities.

The Ingots played against Michigan City Marquette and won by a score of 54-45. After the game, a dance to honor Miss Ingot Spirit and Mr. Basketball was held.

During spirit week students dressed up for hat day, western day, sweats day, and red and gold day. A pep session was held and it was announced that the seniors won the hallway competition. The banner above the senior hallway read "Welcome to the Fiery Furnace, Ingots!"

R.F. Wins Homecoming

On October 5, at halftime during our homecoming against Hammond Clark, Jodi Springman was crowned Homecoming Queen, and Jim Robison was named Mr. Football. Jim was also chosen Most Valuable Player by his football coaches.

During spirit week students dressed up for western day, occupation day, punk day, and red and gold day. The seniors won the hall competition and float competition with the float slogan 'Burn Em'. The senior float consisted of a log cabin with a red background resembling a fire and the pioneers running away from the burning cabin.

During the game, the Ingots were ahead of the Hammond Clark Pioneers all the way. By halftime, the score was 14-0. The Pioneers remained scoreless until the 4th quarter. The Ingots won the homecoming game with a score of 22-7.

Turnabout And Other Dances Were Successful And Fun For All

The Ingot Room twinkled like stars as students found themselves surrounded by the sights and sounds of city night life. The theme was "All Night Long". The room was decorated with city decor, including tall buildings and lots of lights. The turnabout dance, a very special occasion, is the time a girl asks a boy to be her escort.

This year's dance was a little different from previous years. Instead of having a band play the music, as was done in the past, disc jockey Charles Cimons spun records and acted as Master of Ceremonies.

Forty couples paid \$10.00 a ticket to attend the February 23rd dance. Pictures by Midstates Photography were taken for a lasting memory.

Along with the Turnabout, several other dances

were held by both the high school and Jr. High. There were Homecoming dances, 50ck Hops, a King and Queen dance, and a Hallowen dance. These dances were sponsored by the high school Student Council, he Jr. High Student Council, the Senior Class and the Freshmen Class respectively. Some of the dances were fund raisers while others were entertainment for students. In the past, choice bands were usually used, but this year DJ's seemed to be the more popular choice. Two DJ's were hired for the homecoming dances and Mrs. Rieck acted as DJ for the 50ck Hop. At all of the dances, the students danced to the top 40 songs, including "All I Need" by Jack Wagoner, "Girls Just Want to Have Fun" by Cindi Lauper and "Like a Virgin" by Madonna.

Prom Was Successful With Sixty-Four Couples Attending

Excitement floated through the air May II as sixtyfour couples attended the junior-senior prom. Assumption Hall seemed like the next best thing to heaven with its pink and lavendar decorations conveying the theme "Magic is the Night." The setting, complete with pond and bridge, an archway leading to the stars, kissing rings, and a canopy of streamers, was the handiwork of sponsors Miss Watkins, Miss Joseph, and Mrs. McNabb and a small number of dedicated students. A DJ provided the music. The records spun included "The Twist," "Suddenly," "Hello," "Purple Rain," and "Let's Go Crazy." For souvenirs couples were given glasses, memory books, and a pagoda sitting on a cloud.

Wassail

A Medieval Tradition

The Wassail is a Christmas celebration of traditions from medieval times. It is a celebration of what Christmas is and what it means.

This is the fifteenth year the Wassail has been successfully performed. For three consecutive nights, 174 people came to see the Wassail. Tickets were sold out since September. In fact, many were purchased a year in advance.

As the Wassail began, a savory appetizer was served. After the appetizer was finithed, the main meal, Beef Esterhazy, was then served with baked potatoes garnished by sour cream and chives, green beans, brazed mushrooms with sherry garnish and sparkling grape

juice. While guests were enjoying their meal, entertainment was provided. The entertainment included a puppet show performed by the eighth grade STP class, a country dance by the mixed ensemble, an acrobatic act by Shelly Markham, magic tricks by Vicky Baker and of course many songs sung by the choir. As the festivities continue and the main meal is finished an assortment of desserts including cakes, tarts and cookies was passed to all guests. No one left the Wassail without a filled stomach and a lightened spirit. The fabulous food, the good entertainment and the enjoyable camaraderie had most guests leaving with the assurance that they will be back again next year.

Christmas At Its Finest

Clockwise from top left: Mr. Brown directs the Ensemble. Carla Rael, as Saint Lucia, sings prior to serving the confections. The Gif's Ensemble entertains while guests are being served. Wench Paula Christaks erves the guests. Senior Vicky Baker performs magic tricks for the Wassail guests. Male choraleers stand motion-less as the Gif's Ensemble performs.

s is for sureness when tackling a problem.

Which Memory Are You A Part Of?

Each year of high school has moments that stand out among the many memories that are made, but those special times during the senior year always seem to top the list of fondest memories. For most seniors the last year is the best. The idle times, the busy times, the embarassments, and the triumphs, the joys and the tears, all seem to mesh into the days that will be remembered most as the good times.

My Favorite Senior Pastime was:

just to upset Mr. T.

Seeing how many days I could miss and getting away with it . . Partying and cruising Broadway with N.S., F.O., K.K., A.H., and all my sophomore buddies . . .

When I sacked the quarterback that stopped Hammond Gavit from tying the game and we won 15-13 ... Sitting in twit lane with J.H., C.D., D.M., B.K., T.L., R.P., J.N., and myself A.H. having fun with Mr. Hughes ... Sitting on lunch hour with Mikey, Banana, Yo, and Nilsa ... Sitting on the blue senior bench between classes ... Talking to Mr. Garcia about cruising Broadway ... Seeing what I could get away with ... Following Sam Romeo home after the basketball games ... Watching David Verduzco strut down the hall ... Sleeping in first hour during film strips ... Trying to make it to class just before the bell rings

My Most Embarrasing Moment was:

My freshman year in football when I was running the ball and I got tackled and my pants got pulled down

When Mr. Tallman caught me with my hands down J.B.'s pants . . . Losing my shoe at the Valpo. sectionals my junior year and the whole Valpo. side cheered for me ... Liking someone so much that I would borrow his government notebook just so I could put other notes in it ... When I almost went out to play a volleyball game without my shorts . . . Being hit in the back of the head by Mr. McDaniel in 3rd hour Algebra class . . . Letting some of my friends lock me in my locker before 5th hour and not letting me out until 5th hour was over ... Junior High Council Remains Active Throughout Year

The Junior High Student Council sponsored junior high dances and activities. It is up to the members to plan, decorate, serve refreshments, and clean up afterwards, said sponsor Miss Kubiak. She said that the "true colors" of the Student Council members came through as they divided their time between being hostesses and guests. The junior high student council sponsored dances included: the Halloween dance, and Christmas dance, the King and Queen Dance, and the Eighth Grade Honors Dance. The Council also opened a Christmas post office. Students purchased cards for \$.25 each and then student council members dressed as Santa's elves and passed out the cards. The money that was raised went towards the renting of a skating rink for the council's annual skating party in January. Some of the other activities sponsored include: decorating the Christmas tree donated by Remus Farms, a St. Patricks Day celebration, and an Easter egg hunt.

The council also participated in the Indiana Association of Student Councils at Warren Central High School, a parliamentary procedure workshop with the YACS, and several administrative conferences held by Mr. Tallman. One of the new activities presented by the Student Council was SADD week. SADD stands for Students Against Drunken Driving. Student Council members passed out literature on drinking, and displayed a graphic symbol of drunken driving, a wrecked car, in front of the school. The Student Council's future plans include a dance-a-thon and a quiz bowl.

Speech Club Offers Varied Challenges For Its Membership

The Speech Club is a club designed to improve public speaking ability. It began the last week of September and continued through March. There are six different types of events in which members participate. The first is interpretation of poetry which is interpretating humerous and dramatic plays, poems, and novels. Origanal oratory, the second, involves writing and delivering a speech. The third, oratorical interpretation, is interpretating someone elses speech and imprompt speech, the fourth, is speaking on a topic without any preparation before hand. The last two catagories are extemporaneous speech and radio. Extemporaneous speech is speaking on topics which are chosen by the speech committee. Radio involves 3-4 parts. The student must read a commercial and editorial and compose a three minute news program which relates to international

In October, the students went to Ball State for a speech conference where they were able to observe students from all over Indiana. On October 20, four students went to a meet at Highland High School where sophomore Melissa Carter received a seventh place for doing poetry interpretation and Stever Aubuchon, also a sophomore, received a fourth place for giving a humorous speech.

YAC's Club Activities Hindered By New State Legislations

The YACs were unable to accomplish as much this year as last due to the new state legislation which required that most clubs' activities take place while school is not in session. The YACs were able to, however, attend a two day conference in Lebanon, Indiana in October. A professor from Purdue talked on raw insects and how they could save the world from famine. Many of the students and adults took the opportunity to taste the "mealy worms" sauted in olive oil. When asked about the taste, the student's replies were snap, crackle and crunch, said Mrs. Broda. In March, National Nutrition Month, Mrs. Broda and the YACs set up nutrition booths where they passed out nutritional information on vitamins and the body. In May the YACs had Cook's Appreciation Day. The students served the cooks their lunch on a candle lit table. One of the projects in planning is trivia week. For one week students who are able to answer trivia questions will receive a free meal, said Mrs. Broda.

FHA Recognizes That The Home Affects Well Being Of All

The Future Homemakers of America (FHA) was initiated by the Home Ec Department. According to advisors, Miss Havden and Mrs. Whiting, FHA is very beneficial in that it recognizes that the home affects the well being of all and it teaches students to accept responsibilities and make decisions that affect our lives today as well as the world tomorrow. The FHA's colors are red and white. Red suggests strength, courage, and determination. White symbolizes sincerity of purpose and integrity of action, FHA develops those qualities that will help individuals build a better tomorrow. Some of the activities the FHA was involved with included a Trick-or-Treat for Toys and a Christmas party for the members and their guests. The FHA visited Wheeler High School in March to attend a Spring District meeting. FHA members and their guests also attended a Spring picnic at Riverview Park in May. The FHA's goals for the future years are to increase membership and to plan more activities.

Beginning Band Introduced To Instrumental Dept.

The beginning bands were under the direction of Mr. J. Kapciak.

At the start of the year, the students are introduced to the various instruments available to them. Each student was given enough time to pick the instrument he wanted to work with. Then, for the next few weeks the students learned music theory. They learned all the notes on the staff, time signatures, and whichever of the 2 clefs (treble or bass) their instrument uses. The students later learn how to correspond the fingerings or positions to specific notes on the staff.

The highlight of the year for the beginning band was the annual Spring Concert held in the high school gym. The beginners played four numbers, "Its A Small World", "Eight Days A Week", "Triumphal March", and "Oriental Overature".

The year was highlighted by the Annual Spring Concert held May 23 in the high school gym. The songs the intermediate band played were: "America the Beautiful", "Hello", "Over the Rainbow", and "I Like Mountain Music."

Chuck DeMoss Represents R.F. At Contest

The high school band became two separate bands, a concert band and a wind ensemble. The wind ensemble was created for the accelerated students. This was the first time the school had wind ensemble. Mr. Slater felt the wind ensemble was needed so the student could advance into more difficult music than in the past.

The marching band performed before and during halftime at the football games. The marching band which goes on occasional trips such as to Florida, performed at the Hobart and Lake Station Fourth of July parades. They placed first and

second respectfully.

On January 26, several students participated in the District Solo and Ensemble contest at Hobart High School. Playing Division I solos were Paula Christakis on the flute, and Chuck DeMoss on the trumpet. There was also a drum quartet which consisted of Laura Best, Sam Romeo, Joe Nunez and Mike Uhles. Paula Christakis and the drum quartet earned second place missing a first place by one point. Chuck DeMoss, however, earned a first place on his solo. Publication Staffs Lacked Experience

Many changes occured in the publications classes. The major change for both staffs was that they met during the same hour. As a result of the combination some of the members had to share not only part of the work load and responsibilities, but also the darkroom and layout facilities.

A second change was that the newspaper staff had to typeset their stories on word processors instead of having them professionally set. This meant that students had to learn how to use computers. Along with

this, the journalism classes faced the problem of little experience. With the exception of two members, Patty Cotton and Rita Soria, the yearbook staff members were without experience. Several positions which are normally filled by 3rd and 4th year members were given to 1st year members.

For the first time also, senior portraits and team shots were taken by Midstates Photography of Hobart instead of Root Studios of Chicago.

Varsity And J.V.'s Number Of Wins Does Not Give Credit To Potential

With 7 seniors and 2 juniors on the varsity squad there was a lot of experience on the court. According to Coach Rieck, there were many close matches and much hard play throughout the season. "Emotionally we worked more as a team than we have in the last 4 years. With this quality more success should have been accomplished," she said. They ended their season with a record of 4-16. Janine Schiller received the Northwest Hoo-

sier Conference medal. Vicky Baker received an honorable mention award.

"The J.V. team improved 100 percent from the beginning of the year," said Coach Mueller. The lost matches usually ended with a close score or with no time left on the clock. Coach Mueller also said that the team had the desire to win and that they would be an asset to the varsity next year. Their record was 4-16.

"The most valuable players on the 7th grade team were Renee Szwedo and Yvonne Bonila!" said Coach Hilla.

The 8th grade team consisted of five returning players and five first year players. Coach Hilla wished the team were more consistent in its play.

Overall, the 7th and 8th grade teams improved continually from the beginning of the year. The 7th grade team's record was 2-4 and the 8th grade team's record was 0-6.

Varsity Team Defeats Marquette In Homecoming

The varsity season ended with a 2-17 record. They defeated Marquette on Home-coming night and Griffith in overtime. The coaches felt, however, that the squad which was young and had only three seniors, Sam Romeo, David Verduzco and Perry Mills, was in most of the ball games. The remained or of the squad consisted of four juniors, Bill Handley, Mike Uhles, Jay Shelton, Dannie Lewis and two sophomores, Dave Kallok and Rich Medellin.

On February 26th, the team played against Hobart in sectionals losing 52-59.

At half-time, River Forest was ahead by one point. Mike Uhles led the game with twenty points. Jay Shelton was second with eighteen points and twelve rebounds. Danie Lewis had six rebounds. There was a total of twenty-three rebounds and fourteen turnovers. "We were close throughout the game," said Coach McDaniel. "It was a good game and everyone played well," agreed Coach Detterline. Both coaches said rebounding and shooting were the downfalls not only in this game, but in others as well.

Junior Varsity defeats Hammond Clark and Hanover Central

The J.V. boys basketball team ended their season with a 2-17 record. They beat Hammond Clark and Hanover Central.

John Batchelor was leading scorer with 109 points, but the leading average went to Jack Burton with 7.8 points per game. Rich Fasel, John Batchelor and Bill Sult were the leading rebounders with an average of 4.8 per game. Coach Burleson said that the team weaknesses were in poor ball handling and in free throw shooting. The team strength he said, was in rebounding.

The girls varsity basketball team ended the season with four wins, Washington Township, Morgan Township, Hobart, South Central, and thirteen losses. On January 30th, the girls played Calumet at sectionals and lost 34-54. Yolanda Marshall led with five rebounds. Delores Tellez led with five assists and Angie Diaz led with six for six in free throws. She also was leading scorer with sixteen points. Vicky Baker was second with eight points. Tellez and Kim Wagoner each had six turnovers.

The girls J.V. basketball team ended their season with a 1-14 record. "We could have had a better season, however the team exhibited a lack of dedication," said Coach Joseph. They were inexperienced and young. With a little more effort the record could have been vastly improved. If the team would have been able to maintain a higher level of consistency, they would have been more competitive. Throughout the season the girls showed sparks of winning desire, said Joseph.

The seventh grade girls basketball team, coached by Coach Schechner, had a 3 win, 5 loss record. The three teams that the team beat were Lake Station, Fegely, and Washington Township. Coach Schechner said that the girls came a long way and they improved their skills and knowledge of the game 100 percent through the season. The team's percentage for free throws was 34 percent. The eighth grade girl's basketball team, coached by Miss Kirsits, had a winless 8 game season. Coach Kirsits said, "Every player improved and that makes them outstanding in their own way. The girls had good attitudes, spirit, and drive." She also commented that the girls never gave up.

The freshman basketball team had a slow start. According to Coach Klarer, the team's defense wasn't bad, it was that they just didn't have the desire to excel and hustle. He also commented that Patrick Knox was the leading rebounder and Les Fischer was the leading scorer averaging eight points a game. They ended their season with 2 2 win, 14 loss record.

The eighth grade basketball team also had a slow start because it lacked in skills and size, said Coach Rosner. He commented that the boys were a good group of young men to work with. Their seasonal record was 0 wins and 13 losses.

"The seventh grade team was very coachable, but they lacked fundamentals," said Coach Spencer. He also said that the team improved as the year progressed. According to Spencer, Eric Dushane was the offensive weapon, Jeff Holder, the defensive weapon, and the best rebounders were John Antal and Ed Gatza. Their record was 3 wins and 10 loses.

Varsity Shows Positive — Attitude And Great Potential

The baseball team had the finest group of boys I have ever had out for baseball, said Coach Baker who added that the players not only had an excellent attitude on the baseball field but they had a good attitude in the classroom. No one individual was outstanding, said Baker. When one person was having a bad game, someone else picked up the slack. It was a total team effort. The season ended with a 10-14 record.

The J.V. baseball team ended with a season record of 1-10. "The team had a lot of potential." said Coach Whiting who added that Angel Cruz had much of that potential. This was his first year and his batting average was close to 500. Coach Whiting said he had to work on fundamentals more than anything else since most of the J.V. will move up to the varsity squad with eight seniors graduating.

Inexperience and lack of members lead to poor season

en nis

The tennis team ended their season with a 1-12 record. The little experience of the team was the main reason for the lack of wins. With the exception of seniors, Sam Romeo and Randy Sink, and sophomore Paula Christakis, the other team members were 1st year members. Sam Romeo, one of the most valuable players, according to Coach Detterline, competed in the state finals at Indianapolis High School. Although he lost, he was the first student from River Forest to ever get to the state championships.

The cross country team ended with a winless season. Coach Marszalek said it would have been nice to have a team this year. There must be 5 individuals to make a team. We only had 4. We started with six, but one member moved and another quit. As a consequence, each boy had to run as an individual. The last meet the six members had was against Lowell and Whiting, Senior, Jim Graham finished 1st, Tim Mills 9th, Lee Chapman 10th, Ron Paymaster 11th, and Chris Augustine 12th.

State Finals Berth Earned Despite Small Team Size

"Although it was a disappointing season, said Coach McNabb, there were many personal accomplishments." The track team had only three members, Vicky Baker, Janine Schiller, and Shelley Groover. They went to very meet and gave their best, said McNabb. Vicky Baker participated in 4 events and earned 105 points during the season. She worked extremely hard and earned

the honor of advancing to the girls state finals. Janine Schiller participated in 2 events. She was constantly trying to improve the events she was in. She earned a total of 32 points for the season. Sophomore Shelley Groover participated in 4 events. She was willing to try anything new and worked very hard to achieve her goals. She earned 45 points for the season, said McNabb.

Varsity Track Starts Off Slowly But Improves With Season

Boy's varsity track ended with a losing record. There was a total of 20 boys on the team which was mostly composed of freshmen and sophomores. There were only two returning lettermen, Jim Graham and Tim Mills. The team started off slowly in competitions, but "they seemed to have a lot of determination to succeed," said Coach Marszalek. The boys won their only

meet against Marquette on April 19th, 99-23. Individually for their limited experience the team performed quite well, said Coach Marszalek. One positive point for the team was its diversitility. Team members participated in all events. The 9th and 10th grade 400m relay and mile relay teams performed well above average for the season, said Marszalek.

Boys Have 13 Straight Winning Seasons; Girls Have Excellent Attitudes On Field

"They did it again" was the cry as the Jr. High boys track team finished their 13th consecutive winning season, 8-3, and earned their 10th invitational victory in 11 years. Rick Sult, who was undefeated in the 20om dash, led the team in ribbons. Pete Otero set a new Jr. High record in the discus throw. Seventh graders, Mike Bruce and Adrian Garza were named Most Valuable Players. According to Coach Spencer, a lack of 8th grade participate were very dedicated and performed well. Once again, said Coach Spencer, the 7th grade well. Once again, said Coach Spencer, the 7th grade

roster was large.

The girls jr high track team finished their season with 2 wins, Wheeler and Griffith, and 4 losses. In the Wheeler meet many first places were earned. Theresa Groover placed first in high jump, long jump, and 100m dash. Dina Cortez placed first in the 1600m run. Amanda Watts placed first in the 60m dash and Margaret Calderin placed first in the 800m run. The team had an excellent attitude and they played great as a group. "Since we were a small team, we did well," said Coach Kirsits.

Many Close Matches Fought As Players Improve Scores

The golf team ended with a season record of 3-11. "The team played much better this year," said Coach Leonard. Our average score was about 20 strokes lower than last year. We lost several close matches: Whiting 225-226, Lake Station 194-200, and Whiting 206-208, Bryan Baker, a freshman, earned the honor of having the lowest score with 43.

"If our senior players, Randy Sink, Esequiel Torres, and Jim Rodrick had started playing golf their freshmen year as opposed to their junior year, we would have had a much better season," said Coach Leonard. Jim Rodrick was named MVP and Esequiel Torres was named Most Improved Player.

Two Seniors Take ______Second Place In Sectionals

The wrestling team, led by Coach Horban, Coach Somers, and Coach Hilla, finished with a record of 6 wins, 8 loses, and 1 tie. Coach Horban commented that the team spirit was good through the months of November and December, but January was a different story. The wrestlers got injured and the team's attitude dipped, he said.

As for sectionals, however, the team's attitude came back and they did well. Anth-

ony Hill and Esequiel Torres took second place. Ray Palmer, Greg Tenorio, Jeff Kitchen, and Joe Ramos took third place. Kenny Johnson, Ladislado Torres, Bobby Tenorio, and Jorge Garza took fourth place. Two wrestlers were sent to regionals, Esequiel Torres and Anthony Hill. Their finishing records were 12 wins, 5 losses, and 10 wins, 7 losses respectively.

Note Of Thanks:

"George and Bernard"

Thanks for the guidance when we didn't know which way to turn, for all the caring ways that you have shown, for that special love which meant more than you can ever realize, and for helping us to realize that there can be "true love" among friends. You have truly made our senior year very special.

These moments will always be remembered

Love you always, Penny Lynne and Patty Lynn

In every work worthy of production unwavering commitment to the task is a necessary ingredient. Without such commitment no annual would ever come to fruition. And, perhaps this year's production, more than any other year's needed that kind of lovalty and dedication which only a special group of students could give. My thanks is extended to the photographers for trying to get the job done under inopportune conditions and to staff members Penny, Rita, and Kim who also had to work under less than favorable conditions. But, my special thanks are saved for my Editor, Patty Cotton, Without her, I can truly say there would have been no yearbook. Her focus on the task at hand and her untiring work to keep the production going made this annual a reality. How can I thank her enough? I don't know. But, what I do feel is that this 1985 edition of the Ingot Annual will forever be a tribute to a most deserving girl.

Sincerely, Mr. Muir
